

Shenington Revival Meeting

13-15th June 2008

Hosted by Shenington KRC
and the
British Historic Kart Club

Shenington 2004

Welcome

Although historic kart meetings are now frequent, the Shenington Revival continues to provide a unique meeting for karting enthusiasts.

The fabulous atmosphere and nostalgia created by the venue, the karts, karters and memorabilia ensures that each year is enjoyable.

Which is why members such as Roger Norman (Jersey) keep coming back each year to join the growing number of new members this show attracts. The enthusiasm never seems to dampen.

This would not be possible without all the helpers from both clubs who put many hours into making it all happen.

This year we again see an increase in entries particularly with the 250cc karts, over 150 karts are expected giving a wide selection of karts raced since 1956. Many of these karts and karters are new to Shenington so there is plenty to see and talk about. Finding something of interesting will not be difficult.

With growing numbers, three new trophies are introduced. Thank you to the sponsors and thank you to the sponsors of the existing trophies which have been eagerly contested over the years.

Finally, please feel at ease to walk round, ask questions and enjoy yourselves. Many of the people attending are former drivers, former champions who have helped make karting what it is today.

Tony Wilkins - President

Some Future Events for 2008

Whilton Mill (Ace of Clubs).....28/29th June
Santa Pod.....5th July
SuperKart GP (Cadwell)..... 20/21st July
Rowrah (Historics & 210 only)..... 16/17th August
